Both MBA programs start in the fall, are taught by the same UCLA Anderson faculty, require the same core classes, feature an extensive selection of electives and award the same degree. Students have access to all Anderson student clubs and campus events.

The UCLA Anderson Alumni Network includes more than 42,000 professionals in all 50 states and more than 75 countries. In addition, graduates can join the UCLA Bruin network of 500,000+ alumni globally. UCLA Anderson FEMBA and EMBA alumni have access to lifelong learning and may audit electives and international residencies (when space is available).
